

Ontario Envirothon Volunteer Opportunities May 2nd-5th, 2012

Envirothon gets students outdoors, to experience nature first hand and hands on! Envirothon is a unique team competition that rewards students for learning about the natural world around them. Local conservation organizations partner to provide students with interactive field trips and workshops to help them understand forests, soils, wildlife, aquatic ecosystems and the human impact on all of the things we value in nature.

The Ontario Forestry Association is looking for volunteers to lend their time from May 2nd—5th, 2012 at the Ontario Envirothon Championships being held at the Tim Horton Onondaga Farms in St. George, Ontario.

Friday, May 4th

Station Master

Each team will visit 5 stations, forestry, aquatics, soils, wildlife and the 2012 current issue Non Point Source Pollution and Low Impact Development. Get outdoors and be in charge of one of the stations as the teams complete their field testing.

Trail Escorts

See the kids in action! Be the escort of the teams vying to be the provincial champions as they circulate throughout the eco stations.

Saturday, May 5th

Presentation Judges

You will be impressed with the solutions that the participants come up with to real life environmental problems. See how well the teams work together to present their ideas.
